FHC Aluminum® Storefront Systems

Complete Storefront Systems Designed for Flexibility and Built with Quality and Performance in Mind

FHC Aluminum® manufactures Storefront Systems designed for flexibility and built with quality and performance in mind. This extensive line of center glazed storefront systems is built to meet your design requirements. Systems are offered in a variety of depths and accept 1/4" or 1" glass. Identical EPDM gaskets are utilized on the interior and exterior sides of all systems, allowing for easy installs.
